

Tailor-Made Transportation Solutions for Business and Pleasure

Federal Air has the largest and most diverse charter fleet in southern Africa. No matter how big or small; how far or near; what time of the day or year, we offer a luxurious, professional and flexible transport solution for discerning clientele.

Our Service Offering:

- Depart from all national and international airports worldwide
- Tailor-make the flight plan depending on clients' specific needs
- Customise the flight plan to fit the proposed budget
- Synchronise flights with our Shuttle and Scheduled Services if required
- Same-day turnaround on quotations to assist planning
- Experienced, friendly crew
- Personalise service at every step of the journey
- Professional and efficient Meet and Greet service
- Premium lounge facilities
- Direct aircraft access
- Guest-specific premium catering on board

If you can think it, we can make it happen.
